Minimum Bid:
\$100

Chardonnay Golf Club is a 18-hole golf facility located in the Napa Valley. With 18-holes of championship golf to challenge players of all skill levels, our course represents the premier golf destination in the bay area. The 18-hole layout features a unique blend of golf holes that consist of six par fives, six par fours and six par threes that meander through over 150 acres of Chardonnay vineyards and feature numerous lakes and creek crossing, five sets of tees (Professional, Tournament, Mens, Seniors and Ladies) to choose from and a wide variety of native trees, shrubs and wildlife.

The Chardonnay Golf Club & Vineyards food and beverage staff can assist you with any and everything from breakfast to box lunches, banquets to bridal ceremonies. Annually we host a large number of bridal ceremonies and receptions combined with golf. These have created memories to last a lifetime in one of the most visually dramatic environments anywhere. Our staff truly knows how important these moments are and your entire party shall notice their true talent and commitment.
